Class Of '84

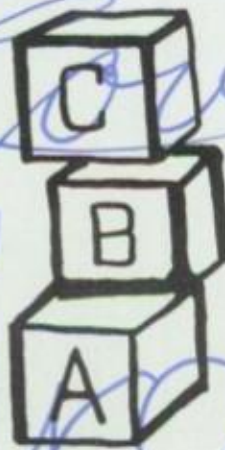

Joh,

I've read a little of what ~~of~~
other people have written and
decided against: "you're a great guy",

because we both know that; "you're
a true friend" cos true friends are always
there and you always listen no matter what
(even when I cause problems with you and
your women); and I refuse to say "good luck"
to you (or anyone) because luck has
nothing to do with anything - it's all
skill and you have a tremendous
amount of that.

and
we both
know
you are

Paul and Satoru
burgers,
